#### SPECTACLE LENSES

**Hoya Pairs iD MyStyle 3 and iD WorkStyle 3 With AdaptEase Technology**

**Top Line:** [Hoya Vision Care](#) has launched iD MyStyle 3 and iD WorkStyle 3 with AdaptEase Technology as the newest progressive lenses available to order in the U.S. with plans to launch in Canada later this month.

**Close Up:** The key feature of the iD MyStyle 3 and iD WorkStyle 3 lens is the addition of AdaptEase Technology, the company noted, which leads to faster adaption and clearer vision by reducing peripheral astigmatic distortion.

Also, new [Read More](#)
